

Michael Obi

Austin, TX, USA | (512)-799-7531 | michael.u.obi1@gmail.com | [LinkedIn](#) | [GitHub](#)

Passionate and solution-driven Software Developer. Designed and developed web applications using various languages such as HTML, CSS, JavaScript, TypeScript, and Python. Hands-on experience in front-end and back-end development with a strong focus on responsive design and user experience.

EDUCATION

University of Texas at San Antonio

B.S. in Computer Science

San Antonio, TX

Aug. 2020 – Dec. 2023

- Coursework: Software Engineering, Web Technologies, Computer Programming, Data Structures, Cloud Computing, Analysis of Algorithms, Database Systems, Application Programming, Artificial Intelligence

PROFESSIONAL EXPERIENCE

Software Engineer Intern

Arctex Inc.

Austin, TX

Jun. 2024 – Aug. 2024

- Spearheaded the revamp of their company website using Three.js and Tailwind.CSS, leading to an increase in user activity.
- Collaborated with UX/UI designers and front-end developers for a better user experience and an increase in website performance.
- Implemented API's for payment transactions and account information to enhance app functionality and data management.
- Maintained a stable and agile work routine to increase group productivity. Upheld project tasks using GitHub Issues to meet project goals within required deadlines.

PROJECTS

Arctex Software | *HTML, JavaScript, Tailwind, React, Node, Three.js*

Jun. 2024

- Transformed and remodeled a website by implementing a 3D user interface, custom transitions, and interactive animations. Used GitHub for version control and collaboration.

College App Assist | *HTML, CSS, JavaScript, React, Chrome Dev Tools, Express, Node*

Aug. 2024

- Developed a full-stack AI Form Assistant web application and Chrome Extension that includes features such as login authentication, account management, and payment transactions.
